

ACTIV® Greens

Made with Organic Greens

ALL-IN-ONE GREENS ULTIMATE DAILY NUTRITION

Experience optimum health and performance! ACTIV® Greens Boosted is a science-based heart-healthy green drink that tastes absolutely divine and is loaded with bioavailable nutrients the body needs for optimal health and performance. Plus, our refreshing, sugar- free all-in-one greens daily nutrition drink is made with natural flavors and tastes like strawberry watermelon with a hint of sweet coconut.

Our all-in-one ACTIV® Greens Boosted is made from the highest quality certified organic and sustainably grown greens. Our unique green blend is grown in lush, ancient volcanic soil in one of only two seabeds on Earth. From the time of harvest, which only takes place twice a year, fresh plants are squeezed in a matter of minutes through a proprietary process – becoming our powerful green nutrient blend. The powdered vegetables are considered “raw” because of our low- temperature process at which they are dried, so they are still very much alive and active.

ACTIV® Greens Boosted contains three research-based nutrient blends. The Greens Biome Matrix Blend is made with low-temperature dehydrated active organic greens plus stable probiotic spores to support gut health, immune system and healthy weight management. The Nitric Oxide Boost Blend is formulated to support the body's natural ability to produce nitric oxide (N.O.), which is important for heart health and vitality. The Adaptogenic and Detoxifying Blend contains adaptogenic herbs that help the body manage stress and have been found to reduce feelings of anxiety and fatigue, improve sleep and enhance immunity.

Experience optimum health and performance!

BENEFITS MAY INCLUDE:

- Supports Cardiovascular and Gut Health
- Enhances Performance and Recovery
- Promotes Anti-Aging and Immunity
- Boosts Concentration, Energy, and Mood

PRODUCT DETAILS:

- Fast, Easy, Delicious Green Drink made with Raw Concentrates of Active Greens
- Packed with Bioavailable Vitamins, Minerals, Amino Acids, and Enzymes
- Includes Naturally Stable Probiotics, Phytonutrients, Antioxidants, and Adaptogens
- Nutrient Dense and High Bioavailability for Maximum Absorption

ACTIV® Greens

ALL-IN-ONE GREENS ULTIMATE DAILY NUTRITION

ADDITIONAL DETAILS

Contains 3 Power-Packed, Research-Based Nutrient Blends

Greens Biome Matrix Blend is made with low-temperature dehydrated active organic greens plus stable probiotic spores to support gut health, immune system and healthy weight management. These rich green nutrients are packed with antioxidants that protect against free radicals and help reduce inflammation in the body. High-quality, naturally stable probiotics help replenish a beneficial level of good bacteria in the gut microbiome, which is crucial for overall health and digestion.

Nitric Oxide (N.O.) Boost Blend is formulated to support the body's natural ability to produce nitric oxide (N.O.), which is important for heart health and vitality. The research-based amino acids, coenzymes and herbal extracts in this potent blend are associated with numerous cardiovascular health and anti-aging benefits.

Adaptogenic and Detoxifying Blend contains adaptogenic herbs that help the body manage stress and have been found to reduce feelings of anxiety and fatigue, improve sleep and enhance immunity. This blend also includes herbs and enzymes that have a detoxifying effect to naturally cleanse the body and promote general and digestive health. In addition, it includes the Optimum Absorption Booster to enhance the utilization of nutrients by helping the body absorb the ingredients in order to maximize the benefits obtained.

Plus, it includes an **Optimum Absorption Booster** to enhance the uptake of nutrients and help the body absorb everything in order to maximize the benefits that you get.
