

Drink2Shrink® Instant Tea

Caffeine-Free, Detox Herbal Infusion

NATURAL WEIGHT MANAGEMENT TEA

Naturally restore balance to your body! Drink2Shrink® Instant Tea is a caffeine-free herbal infusion that helps bring the body back into a healthy balance, so it can restore itself naturally. It's made from a synergistic blend of high-quality hand-selected herbs and produces fast results.

This special tea is formulated to effectively and gently cleanse, detoxify, and restore balance to the whole body. As part of a process of nutritional cleansing, it provides the body with nutrients it needs to get back in balance and restore itself to its natural, healthy state. Regular use of this remarkable herbal blend has been found to impart many benefits, including improved health, energy, and concentration.

Drink2Shrink® Instant Tea also works as a natural weight management tea and is more effective than Chinese Green Tea. Drinking it daily has been shown to help with weight management, so you can successfully sustain your ideal weight long-term. It can help you look and feel better!

What's more, it is designed to benefit those with sensitive systems. Drink2Shrink® Instant Tea includes botanicals known to help soothe both the upper and lower digestive tract. In addition, it provides the body with essential enzymes, which are often destroyed by modern food processing and pasteurization techniques.
